

KLOVE (102.3, 104.3, and 96.9 in the local Dayton OH area) supports wholesome values and has a positive and encouraging impact on me and the local community. Request that the KLOVE translator service NOT be replaced by LPFM so the positive impact can remain in my local area.

It is the public's best interest to allow the KLOVE translator service to remain in place to allow continued uplifting music and information to my local community.

Thank you for the opportunity to comment on this important issue.
